Annual Report – 2019

Introduction: CornerStone Christian Radio was founded on January 18, 2016 in Los Angeles, California. The Radio was established as a Non-profit Christian Outreach Ministry. Its main goal was to broadcast the Gospel of Salvation, the only HOPE for a perishing world. Since its inception, the Ministry has experienced significant growth in its Programming and has positively impacted its listening audience around the world. The 2019 Annual Report aims to reflect its major achievements and highlight the potential for further growth and development. TO GOD BE THE GLORY!

Platforms

In addition to its audio programming CornerStone Christian Radio has effectively utilized the various social media platforms, thereby attracting a consistent following. The Radio Ministry has been able to share *Christ Centred Messages* and words of encouragement using its Facebook, Instagram and Twitter Platforms. The printed messages were well received as supported by the data provided on the table below. **Table 1.0** reflects the number of messages posted for the period January-December, 2019 and the number of persons who have viewed / interacted with them.

Table 1.0

Platform	No. of Messages Posted	No. of Views
Facebook	350	20,112
Instagram	320	8,100
SDA Family App.	190	2,800
Twitter	287	15,000
Total No. of Messages Posted	1,147	
Total No. of Interactions	46,012	

The Radio Ministry has received positive feedback [text & e-mail] from 25% of those who had interacted with its messages. Additionally, such interactions have resulted in partnerships being forged as well as in in-kind contributions being made to the Ministry. This notwithstanding however, the most precious feedback received were from those whose lives had been touched by the sanctity of the messages posted. May the Right Hand of Jehovah, our Grand Creator, continue to guide this Ministry.

Capacity Building

Network Upgrade: CornerStone Christian Radio upgraded the size of its outreach capacity from 500 to 1,500. This upgrade made it possible for 1,500 listeners to log on to the network simultaneously which boosted the station's output and broaden the scope of its listening audience.

Equipment: The Ministry acquired a Desk Top Computer and a Mixing Console complete with all accessories. These major pieces of equipment were donated by Sister Rosma Dolcey [University SDA Church] as an expression of her support for the work being carried out. The studio now has the capacity to organize and transmit its programs more effectively. May God richly Bless Sister Dolcey for her generous contribution as He continues to provide for the work of this Ministry.

Programs: CornerStone Christian Radio added several new programs to its 2019 schedule. Listeners were treated to delightful gospel musical selections with the addition of **"Contemporary Saturday"** and **"Journey Through the Years"** [Sundays]. The former was offered to satisfy the musical appetite of the young and the young at heart while the latter was added to satisfy the nostalgic euphoria of yesteryears. In addition to the two music programs the Ministry added a wellness program entitled, **"Together We Can Heal"** which focused on restoring the broken spirit left in the wake of abuse with emphasis on sexual abuse. **"A Weekly Sabbath School Lesson Study"** was another program added to the 2019 schedule. This program offered an in depth study of the SDA Adult Sabbath School Lesson through a panel discussion. Each lesson was brought to life by the lively discussions and vivid Biblical context presented. The latter part of 2019 saw the introduction of four additional programs: **"Promises of God"** and **"Reflective Mode"** which encouraged listeners to think about all the wonderful things God had done in their lives. Listeners were encouraged to draw strength from God's promises. **"In the Footsteps of the Saints"** highlighted the challenges faced by modern day followers of Christ while emphasizing their faithfulness. Volunteers shared their experiences in live interviews. All interviews received positive feedback followed by numerous requests for encore presentations. The last program added was **"Prophetic Messages from Ellen G. White"** which offered listeners a comprehensive insight into events that must take place before the second coming of our LORD and Saviour, Jesus Christ. Many have reported being blessed by the newly introduced programs. One such feedback was received from a listener who reported being motivated into finding an SDA Church in order to learn more about the Sabbath. He credited his inspiration to the program: **"A Weekly Sabbath School Lesson Study."**

Major Achievements

The Radio Ministry was able to accomplish two major goals this year with the construction of its Website and its very own App for Android Devices. Both features were added in September and are already proving to be instrumental in drawing others to the Cross. Google reports that the App had been downloaded 100+ more times while the Website had been visited 621 times. The Ministry now also features a BLOG which offers the Good News of Salvation in daily bite sized particles. Feedback to these Heavenly Messages of Hope has been phenomenal. TO GOD BE THE GLORY!

2019 Partners

The partnerships established this year have indeed been a Blessing from the God of Celestial Lights. We were able to partner with Brother Melusi Ndhlalarnbi and his wife Sister Vivian Ndhlalarnbi of **“Melvee Video Productions: A Divine Voice out of Africa.”** This partnership gave the Radio Ministry a voice in South Africa. It also provided it with a new Program: **“A Weekly Sabbath School Lesson Study”** which features various Pastors and Elders discussing the weekly Adult Sabbath School Lesson with great depth and historical perspective. Melvee Video Productions submits this program each week to be featured on CornerStone Christian Radio. It has and continues to attract the attention of many listeners. May God continue to Bless the lifesaving work taking place in South Africa.

Another amazing partnership was forged with Brother Godlisten Timothy Lunala of Tanzania [East Africa]. Brother Lunala founded the SDA Family App and SDA Family Videos which may be accessed through the Google Play Store; Facebook and YouTube respectively. Both the App and the videos provide a platform for interaction among members of the Seventh-day Adventist Church from around the world. These platforms were widely trafficked and resulted in interesting discussions being held among the SDA Worldwide Brotherhood. This partnership has resulted in the CornerStone Christian Radio App for Android and Website becoming a reality. Brother Lunala was the person who constructed both. Additionally, he has proven to be very instrumental in promoting the work of this Ministry in his area of the world. Thank you Brother Lunala! May our partnership continue to yield much fruit in His Vineyard.

Ingrid Jane Phillip of Connecticut is another amazing partner of CornerStone Christian Radio. Ingrid reached out to this Ministry after interacting with our audio and printed messages. Her personal mission was to offer hope through God’s WORD to those whose lives have been shattered by abuse – with a special focus on sexual abuse. Ingrid is the founder of “My Now Ministries” and a Motivational Speaker who uses her personal encounter with Christ as a platform for Christian Outreach. She now features a daily five minute program on CornerStone Christian Radio entitled; **“Together We Can Heal.”** The program guides listeners through the pages of the Bible and helps them to discover the POWER in Christ-the Ultimate Healer. May God continue to use Ingrid and her Ministry to bring healing to a suffering world.

CornerStone Christian Radio now has a voice in Kericho Kenya through its partnership with Brothers Elijah Mutai and Harrison Lee. The Ministry has been privileged in becoming a sponsor of a Christian Radio Program entitled **‘Family Foundation.’** The program is offered on Radio Light and Life in Kericho Kenya. Brothers Mutai and Lee are the hosts of the weekly program and uses the WORD of God to bring about changes in the lives of those who were seeking a better life. Two major challenges which they needed to face and overcome were (1) the rampant spread of prostitution and (2) the dark practices of spiritualism. Since our partnership God has Blessed the Radio Program with a surprising yield. They reported that many have reached out to them to further discuss the topics presented on the program and that some individuals have shown an interest in Bible Studies. The work has resulted in the conversion and baptism of 70 former prostitutes. God’s Blessings were not limited to that amazing accomplishment however, 4 of the former prostitutes have now joined the Ministry with Brothers Mutai and Lee. To God be the Glory!

The work of CornerStone Christian Radio entered a new dimension when in January (2019) we partnered with an orphanage in Kenya. This institution was born out of need and in response to the growing number of children who had become orphans at the death of their parents due to the AIDS epidemic.

We first began sponsoring 20 orphans in January with monthly monetary contributions. That number has grown and we are now sponsoring 45 children who are totally dependent on the contributions made. May Jehovah, our Provider, continue using this Ministry to help the needy.

Recognition

- (1) CornerStone Christian Radio was recognized for its global broadcast by the International Age Rating Coalition [IARC]. This recognition was received on September 18 at which time the Radio Station was included on the list of global radio stations assessed and recognized by the Coalition. GOD IS GOOD ALL THE TIME!
- (2) CornerStone Christian Radio was added to the Streamitter Radio Directory on October 25. Streamitter is a modern online Directory which lists thousands of online radio stations from around the world. This was a major recognition as it placed our radio station on the list of most widely recognized online global stations.

Universal Following

Since its inception in 2016 CornerStone Christian Radio has maintained a global following and today it has a voice in 38 countries across continents. TO GOD BE THE GLORY!

CornerStone Christian Radio now spans across 6 of 7 continents – taking the Good News of the Gospel to all people in fulfilment of our Saviour’s commission recorded at Matthew 28:19-20. **Table 1.1** identifies Asia as the continent with the highest country interaction while Australia has the lowest followed by North America. The Radio Ministry has identified the need for more effort to be made in establishing viable Christian partnerships in those two areas of the world. May our Heavenly Father Bless our effort in increasing our Ministry’s outreach in the upcoming year.

Strengths and Limitations

The monitoring and evaluation mechanism utilized during 2019 revealed that the Radio Ministry had attracted a sizeable global audience. It further highlighted the strength of its use of social media in spreading its message of Hope. Data collected revealed that CornerStone Christian Radio had impacted many through its audio and printed messages. It also indicated an increased interest in the SDA Message of Salvation as presented through the many Sermons broadcasted. During its initial stages the ministry had identified a pattern among its listeners; they would remain tuned in to its musical segments but would immediately log off when Sermons were presented. 2019 saw a shift in this pattern however, which was most encouraging. The number of listeners logging off Sermons and other Spiritual Programs have decreased significantly. Listeners are now remaining logged on throughout such programs and some have even submitted feedback about Sermons heard. This area of strength however, was overshadowed by several areas of concern; (1) limited input from local SDA Churches (2) limited programs aimed at strengthening the family and (3) limited programs aimed at children and youth. CornerStone Christian Radio remains prayerfully committed in identifying remedies to these limitations.
